

STATEMENT OF PURPOSE

RS27255 / H0421

This bill will remove from the discipline section the reference to the uniform standards of professional appraisal practices (USPAP) regarding the terms "negligent" and "incompetent," since USPAP does not define those terms. The bill will also clarify that discipline from any state is grounds for the board to deny an application for licensure and it will codify that fees the board receives will go into the occupational licenses account in the dedicated fund. Finally, this bill will remove the "good moral" character requirement as it relates to AMCs and require pertinent individuals to comply with the minimum federal regulations.

FISCAL NOTE

There is no impact to the General Fund, because the board operates solely on dedicated funds. There is no impact to the Bureau of Occupational Licenses dedicated fund since the proposed legislation will not alter the number of board meetings held each year, require more services be provided to the board, or change any fee schedules.
